Welcome to CPR First Aid

CPR First Aid is a registered training organisation ([21903](#)) with the Australian Skills Quality Authority (ASQA) for the delivery of training and assessment services nationally.

Philosophy

We pride ourselves on providing quality and cost effective courses to the community. We aim to create innovative courses and maintain excellence in the delivery of training and customer service.

Commitment to Quality

We constantly monitor and improve our services to ensure customer satisfaction and ensure compliance standards are maintained.

At **CPR First Aid**, we pride ourselves on:

- Providing excellent customer service
- Understanding our customers' needs
- Delivering quality, cost-effective courses
- Achieving results in appropriate timeframe

Copyright Notice

All materials, study aid, forms and associated information that prospective and enrolled Students encounter in their dealings with CPR First Aid remain the property of CPR First Aid

1 Code of Practice

The commitments set out in the CPR First Aid Code of Practice underpin the operations of the organisation. All staff will abide by its provisions.

1.1 Code of Practice

CPR First Aid provides the highest standard of vocational education and training in the field of First Aid and WH&S. Our *Code of Practice* outlines our operational policies and our commitment to our clients.

CPR First Aid:

- Is committed to the continuous improvement of its training delivery and assessment services
- Complies with all regulatory and legislative requirements
- Ensures all advertising material meets ASQA marketing requirements
- Provides accurate, relevant and up-to-date information
- Clearly outlines its fees and charges, refund policies and other pre-course information
- Enrols applicants to its courses on the basis of access and equity
- Provides adequate facilities and equipment in a safe and healthy environment
- Prohibits discrimination in any form towards any group or individual
- Employs suitably qualified and experienced staff
- Conducts fair, flexible, valid and reliable competency based assessments
- Provides an assessment appeals procedure and opportunities for reassessment
- Provides academic support to students or referral to external agencies for additional learning support
- Encourages feedback and evaluation from its stakeholders
- Maintains accurate, confidential and secure training and financial records
- Provides timely and accurate reporting to government agencies

2 Course Information

- a) CPR First Aid is a Registered Training Organisation (RTO [21903](#)). We provide training and assessment services in the area of First Aid and WH&S. The nationally recognised qualifications on our scope of registration include:
1. [HLTAID001](#) Provide cardiopulmonary resuscitation (CPR)
 2. [HLTAID002](#) Provide basic emergency life support
 3. [HLTAID003](#) Provide first aid
 4. [HLTAID004](#) Provide emergency first aid response in an education or childcare setting
 5. [HLTAID006](#) Provide advanced first aid
 6. [22300VIC](#) Course in First Aid Management of Anaphylaxis
 7. [22282VIC](#) Course Management of Asthma Risks and Emergencies in the Workplace

2.1 Course timetable

- a) Our one-day courses are available at various locations across Melbourne and Sydney, 7 days per week. Please refer to our website www.cprfirstaid.com.au for available dates (select 'Enrol Now' to view course and location dates).

2.2 Induction to Course

- a) Prior to the commencement of any CPR First Aid course, you will be provided with this student handbook which is accessible on our website or is attached to enrolment confirmation emails as a PDF document.
- b) Our website also provides additional information related to our courses:
- a. Your obligations as a student and the requirements to receive a qualification
 - b. The Statement of Attainment issued on successful completion of the course
 - c. Course timetable
 - d. Course content
- c) At your class the trainer will run through induction items such as:
- a. Trainer background and experience
 - b. Emergency evacuation procedures

2.3 Attendance

- a) Students are required to attend the practical session in order to be assessed for competency.
- b) If you cannot attend a class, you are required to notify CPR First Aid in advance on 1300 642 427 (fees may apply).
- c) Please ensure that you arrive 10-15 mins prior to the class time stated. Anyone who arrives after the class start time will not be admitted to the class. Participants should allow additional travel time for public transport or traffic delays. CPR First Aid are not responsible for late arrival due to travel delays. If you do not arrive by the scheduled start time you will not be admitted and will need to book into a new course, all payments will be forfeited.

2.4 Delivery Mode

- a) Our courses are conducted face-to-face in the classroom with some self-paced pre-course theory that must be completed prior to commencing your class (except the full length Unit HLTAID001 Provide cardiopulmonary resuscitation (CPR)).
- b) All students must satisfactorily complete a face-to-face practical assessment session to be considered competent.
- c) All courses are delivered in English, so moderate English is required.

2.5 Training Facilities & Equipment

- a) CPR First Aid offers training in our own training rooms in Melbourne CBD, Sydney CBD and Parramatta. We also offer training at suburban venues across Melbourne and Sydney. Refer to our website 'enrol now' tab for all available locations and courses.
- b) We provide all the necessary equipment and paperwork for practical training sessions. Students should note that class assessments include both practical and theory components.

2.6 Evaluation

- a) As part of our continuous improvement procedures, you will be asked to complete a Course Evaluation Survey. This is your opportunity to provide us with feedback on the course, the trainers and assessors, the course administration, the training facilities, the training activities, resources, materials and the assessment procedures.
- b) Your comments enable us to make sure that your expectations are met and to improve our services where possible.

3 Fees and Charges

3.1 Fees & Refund Policy

- a) The following policy and procedures define how any of CPR First Aid Students can apply for a refund for course fees. The policy information is transparent and ensures that all Students are treated fairly and with integrity when applying for refunds. They are designed to ensure that CPR First Aid complies with the requirements of ASQA and the [Standards for Registered Training Organisations \(RTOs\) 2015](#) in relation to the refund of fees paid by our clients.
- b) The policy applies to all learners that have enrolled into a course and to fees collected for the course which has been paid in advance. **A Learner will not be considered as enrolled until they have paid in full.** All learners will indicate upon enrolment into any course or unit that they have read, understood and accept these terms.
- c) We advise that CPR First Aid abides by the Consumer Protection legislation, and will at all times respect each learner's consumer rights. Refer to:
 - [Australian Consumer Law and Fair Trading Act 2012](#)

3.2 Fees Schedule

- a) CPR First Aid course fees cover all tuition costs including on-line study access and classroom materials. The course fees are available on request 1300 852 475 or via our website www.cprfirstaid.com.au.
- b) The payment of all fees and charges is receipted and dated at the time of payment. All financial records are maintained in a secure Student Management System.

3.3 Transfers, Withdrawals & Refunds

- a) You may transfer your enrolment into another practical session subject to the following conditions:
 - You provide at least 48 hours notice before the class by contacting administration on 1300 305 606, you will be charged a \$35.00 transfer fee which is payable on the day that you request your transfer
 - There is a vacancy in the session that you would like to attend
 - Should a client transfer to another class date or location then CPR First Aid can invoice for the difference if the cost is higher at the new location
 - We will not refund the difference for classes that are listed as a lower amount at a different date and/or location
 - Students that do not attend their scheduled course will forfeit all payments
 - Clients can upgrade their enrolment e.g. CPR to Provide first aid provided notification is received more than 48 hours prior to current booking date and the course difference must be paid via credit card at the time of request
 - CPR First Aid does not allow students to shift their courses on the day of the practical training e.g. from *HLTAID001 Provide cardiopulmonary resuscitation (CPR)* to *HLTAID003 Provide first aid*
 - Clients that are required to transfer due to cancelled classes will be transferred free of charge

3.4 Withdrawals & Refunds

- a) A full refund of fees paid or a free transfer will be given if CPR First Aid cancels a class
- b) A Student is entitled to a full refund if CPR First Aid is given notice of 10 days prior to the class with a written valid reason as to why the refund is warranted. Please email your written request to admin@cpfirstaid.com.au. This will incur a \$15.00 processing fee.
- c) A student who does not notify CPR First Aid of their cancellation at least 10 days prior to the class date will not be entitled to a refund and will forfeit the full course fees
- d) Students that do not attend their scheduled course will forfeit all payments
- e) Students who arrive after the scheduled start will not be permitted into the class and all payments will be forfeited
- f) Refunds will only be made to the person/organisation that made the original payment. Refunds will be made into the credit card that made the original payment.

3.5 Class Cancellation Policy

- a) CPR First Aid may cancel a class due to low enrolment numbers
- b) CPR First Aid may cancel a practical session due to unforeseen circumstances, such as damage to the training venue
- c) If a practical session is cancelled, the enrolled Students will be offered a transfer into another session at no extra charge
- d) If there are no suitable sessions available, enrolled Students will be offered a full refund

3.6 Non-Attendance to a course without prior notice

- a) The student will forfeit 100% of the course fee if notification is not received prior to the commencement of the class.

3.7 Incompletion of Practical Session

- a) If you attend the practical session but need to leave due illness, CPR First Aid will offer you a transfer into another practical session at no additional fee
- b) Classes will take breaks during the day for lunch or dinner. If you leave the building and fail to return to the classroom by the time resumption of training, the trainer has the right to refuse you entry to the classroom. In this case, you will not be able to be assessed in your enrolled class; you will not receive your Statement of Attainment until you successfully complete the required assessments and you would have to rebook and repay for another class
- c) If a trainer identifies that a learner needs language or literacy support to complete the assessments of essential skills, then that learner will be directed to support services before they can participate in the classroom training and assessment. The learner will then be offered the option of completing the class at a later date, which may incur an additional cost, or a full refund will be provided.

3.8 Special Needs Assistance

- a) Students with special needs or disabilities are asked to disclose this information in their enrolment form prior to course commencement. You are requested to describe the nature of the special needs, e.g. hearing impairment, language difficulty, learning difficulty, physical limitations that may impede a Student from completing the physical assessments tasks required for CPR, etc.
- b) CPR First Aid will ensure complete confidentiality of this information.
- c) If you require an assistant in the classroom to provide learning support, there may be additional costs involved in arranging and paying for interpreters and other support specialists
- d) Anyone requiring assistance should note this on the booking form when enrolling
- e) You will be contacted about your special needs request to discuss if you have made your own arrangements or if you require CPR First Aid to assist in organisation
- f) This cost will be incurred by the client and the client will be invoiced by CPR first Aid and payment must be finalised prior to the course date
- g) Please refer to Section 4.5 for more information on learner support.

4 Training Delivery and Assessment Services

4.1 Trainer Qualifications

- a) CPR First Aid trainers have the relevant qualifications as required by *Standards for Registered Training Organisations (RTOs) 2015*. These include:
 - Skills, knowledge and experience in First Aid and WH&S
 - Qualifications in training and assessment
 - Vast experience in the health and safety related areas of industry

4.2 Student Recruitment

- a) Student recruitment to CPR First Aid is carried out in an ethical manner in accordance with Access and Equity Principles.
- b) Access to our courses are open to all applicants subject to payment of fees and completion of pre-course theory requirements.

4.3 Enrolment & Fees

- a) All pricing is in Australian dollars (AUD)
- b) Course payment must be received at the time of booking
- c) CPR First Aid reserves the right to adjust the price of the training session to ensure that all costs of conducting the class are met and that enrolled Students are not disadvantaged
- d) Confirmation of your booking will be sent to you via email which will include your tax invoice. You need to check the spelling of your name or the names of the enrolled Students on the attached invoice. If they are incorrect, you have to respond to the email with the correct spelling as soon as possible before your practical session so that CPR First Aid can prepare your certificate accurately. Correcting the spelling and posting a new certificate after your class will attract a \$33.00 administration fee (GST inclusive) if we are not notified within 24 hours before the class
- e) Payment can be made through our website using only:
 - Visa or MasterCard credit cards, alternatively, we can take payment over the phone using Visa or MasterCard which will attract a \$20.00 administration fee
 - We cannot take payment in cash or at our office on the day of training at the training venue

4.4 Incompletion of Online Theory

- a) CPR First Aid advises that the online theory must be completed at least 24 hours prior to attending the practical session as this is a prerequisite for the practical course. If you have not completed the theory prior to the course, you will not be allowed to attend the training session and all monies paid will be forfeited
- b) In order to pass the required theory component, all the questions must be answered correctly
- c) Completion of the online theory is part of your formal assessment. The trainer will re-assess you on some of the content in the practical session. If the trainer suspects that this is not your own work, they may withhold your Statement of Attainment until they are satisfied that you know the theoretical component of first aid

4.5 Learner Support

1. The learning support strategies used by trainers at CPR First Aid include:
 - a. Online theory technical support if required
 - b. Demonstrating procedures
 - c. Providing opportunities for 'hands-on' experience and practice
 - d. Providing individual support and advice to students
 - e. Providing written learning material and illustrations to reinforce the learning
2. We will support all students that enrol in to the best level that we can.

4.6 Language, Literacy & Numeracy (LLN)

- a) Students with issues relating to Language, Literacy and Numeracy can expect that we will:
 - Provide examples and models of completed tasks
 - Ensure that documents and forms are written and formatted in plain English
 - Use clear headings, highlight certain key words or phrases and provide explanations of all technical terms used
 - Assessments can be conducted using the interview technique where required
 - Conduct practical literacy and numeracy assessment prior to the class commencement to identify any potential learning issues
 - Present information in small chunks
 - Speak clearly, concisely and not too quickly
 - Give clear instructions in a logical sequence
 - Give lots of practical examples
 - Encourage students to ask questions
 - Ask questions to ensure students understand
- b) Ask students to identify in words, what the exact problem is and how they might solve it
- c) Show students how to do the calculations through step by step instructions and through examples
- d) Conduct practical literacy and numeracy assessment prior to the class commencement to identify any potential learning issues
- e) Students with learning difficulties beyond our areas of expertise are referred to external specialist agencies
- f) Our trainers will:
 - recognise the cultural diversity of all students
 - ensure equal treatment of all students
 - encourage full participation and assisting all students to achieve course outcomes
 - provide equal access to resources
 - refer students with specific learning problems to appropriate agencies
- g) All LLN concerns are treated with discretion, understanding and confidentiality

4.7 Conduct of Assessment

- a) Assessment is conducted in accordance with the Health Training Package and the Health Training Package Assessment Guidelines.
- b) Assessment is competency based against the standards outlined in the units of competency in the industry Training Package qualifications. It includes:
 - a. assessment to determine your training needs
 - b. assessment during the training to judge how you are progressing
 - c. assessment of performance at the end of the units of training
- c) Assessment methods may involve you in:
 - a. Demonstrating your skills
 - b. Answering written and/or oral questions
 - c. Participating in group discussions
 - d. Practical first aid/CPR scenarios
- d) The outcomes of assessment are Competent or Not Yet Competent. If you are assessed as Not Yet Competent you can request a re-assessment.

4.8 Assessment Appeals

- a) CPR First Aid applies a fair and impartial appeals process with respect to assessment appeals by Students. This means that the Student has the right to appeal an assessment outcome if they feel they have a grievance.
- b) Student appeals will be dealt with diligently and outcomes achieved within 2 weeks from receipt of a written appeal.
- c) We will deal with any student appeals against our assessment decisions in the following manner:
 - Each appeal and the outcome will be recorded in writing
 - Appeal submissions will be escalated to management for further consideration and further consultation with trainers/students will occur where applicable
 - Appellant will be given a written statement of the appeal outcomes, including reasons for the decision
 - If an appeal for re-assessment is proven, we will make all necessary arrangements to conduct the re-assessment of the student by an alternate assessor at a time that is mutually convenient for all parties concerned.
 - All appeals are reviewed at our management meetings and if appropriate result in a continuous improvements process.
- d) If the student is still not satisfied with the resolution of the appeal, the Student can request that the matter be referred to an appropriate independent third party to review the matter.

4.9 Issuance of Qualifications

- a) Within 30 days of successful completion of studies, you will be issued with a *Statement of Attainment* for successful completion of individual units of competency.

5 Records

5.1 Maintenance and Student Privacy

- a) CPR First Aid complies with all privacy legislative requirements which include the Commonwealth [Privacy Act 1988](#) and the [13 Australian Privacy Principles \(APPs\)](#) as outlined in the Commonwealth [Privacy Amendment \(Enhancing Privacy Protection\) Act 2012](#).
- b) CPR First Aid, as a Registered Training Organisation (RTO) and is regulated by the Australian Skills Quality Authority (ASQA) which requires RTOs to collect, hold, use and disclose a wide range of personal and sensitive information on students that have enrolled in nationally recognised training courses. The information collection and reporting requirements are outlined in:
 - [National Vocational Education and Training Regulator Act 2011](#)
 - [Standards for Registered Training Organisations \(RTOs\) 2015](#)
 - [Data Provision Requirements 2012](#)
 - [AVETMISS standards](#)
- c) Information is only shared with external agencies such as the National VET Regulator to meet our compliance requirements as an RTO. All information is kept in the strictest confidence
- d) Records of attendance, assessment outcomes and qualifications issued are kept accurate, up-to-date and secure. We keep copies of your results for a period of 30 years.
- e) We will safe guard any confidential information obtained by us and committees, individuals or organisations acting on our behalf.

5.2 Access to Training Records/Reprints

- a) We can provide you with access to your training records. Please make a written request to the Training Manager at CPR First Aid via email at admin@cprfirstaid.com.au. Students must bear the cost for reissue of records and awards.
- b) CPR First Aid will provide reprints of your qualification at the below prices:
 - Electronic Copy of your certificate (emailed): \$11.00 (Including GST)
 - Electronic Copy of your certificate (emailed) and Hard Copy (posted): \$22.00 (Including GST)

5.3 Unique Student Identifier

- a) As of 1 January 2015 the Australian Government implemented the *Unique Student Identifier* (USI) initiative.
- b) A USI is a personal reference number which provides students with a complete record of their nationally recognised training.
- c) Students enrolling in a one-day training course are required to provide their personal ten digit USI code.
- d) CPR First Aid is unable to issue a Statement of Attainment if the USI code has not been provided

6 Facilities and Equipment

- a) CPR First Aid maintains training environments conducive to learning. Facilities and equipment are set-up, checked and maintained regularly to ensure effective and efficient operation.
- b) Students have access to necessary instructional and assessment facilities, materials and equipment.
- c) Training facilities include:
 - Suitable training/learning areas set up safely and securely
 - Adequate acoustics, ventilation and lighting
 - Toilet facilities
 - Accessible references and resources
- d) Students are responsible for:
 - Identifying and reporting to their trainer any possible hazards from equipment, facilities and the environment
 - Refraining from smoking anywhere in the building
 - Refraining from drinking and/or eating in the classroom

7 Legislative and Regulatory Requirements

7.1 Work Health and Safety Act 2011

- a) CPR First Aid is required to meet its duty of care to staff, students and visitors by providing a healthy and safe environment in which to study.
- b) Your trainer will talk to you about emergency evacuation procedures at the commencement of the class. Do not use any lifts/elevators in an emergency. You are to make your way quickly and calmly to the nearest exit and meet your trainer and other students in an area well clear of the building for a roll call check.

- c) Smoking is NOT permitted in any area of the training venues. If you wish to smoke, you must leave the premises.
- d) You are responsible for:
 - Always conducting yourself in a safe and healthy manner
 - Ensuring the prevention of injury and disease to yourself, your trainers and your fellow students
 - Identifying and reporting to your trainer any possible hazards from equipment, facilities and the environment
 - Refraining from smoking
 - Refraining from drinking and/or eating in the workrooms

7.2 Anti-Discrimination Act

- a) CPR First Aid is committed to providing a fair and equitable institution for its students and visitors. Any discrimination, harassment or bullying of staff, students or visitors because of their sex, pregnancy, race, colour, nationality, ethnic or ethno-religious background, marital status, physical or intellectual or psychiatric disability, homosexuality or age will not be tolerated.
- b) You are responsible for:
 - Ensuring non-discriminatory, harassing or bullying behaviour at all times to other students, staff or visitors to the institution
 - Reporting any discriminatory behaviour, harassment or bullying to your trainer

7.3 Equal Employment Opportunity

- a) When hiring staff at CPR First Aid the principles of EEO are implemented.
- b) We are committed our staff remaining up-to-date with current trends in the Health Industry, the Business Industry and in training and assessment.
- c) Staff members are encouraged to identify their training needs and to negotiate arrangements for addressing these needs.

7.4 Access and Equity

- a) CPR First Aid provides equal access to training delivery and assessment services for our students. Where possible, we conduct flexible training to meet specific needs of individual students.
- b) The student enrolment form requires students to self-assess their English language and literacy capabilities and to indicate any special needs for the course so we can identify any assistance that might be required to undertake the course.
- c) The learning support strategies used by staff at CPR First Aid include:
 - Pre-teaching technical terminology
 - Demonstrating procedures
 - Providing opportunities for 'hands-on' experience and practice
 - Ensuring individual support and advice to students
 - Where necessary inviting students to record training session on an audiotape
 - Providing written learning material and illustrations to reinforce the learning
 - Students with learning difficulties beyond our areas of expertise are referred to external specialist agencies.

- d) Your trainer will:
- Recognise the cultural diversity of all students
 - Ensure equal treatment of all students
 - Encourage full participation and assist all students to achieve course outcomes
 - Provide equal access to resources
 - Refer students with specific learning problems to appropriate agencies

8 Complaint Procedures (Overview)

8.1 Student Complaints

- a) CPR First Aid is committed to processing all complaints and appeals quickly, fairly, transparently and effectively. For all complaints and appeals, the complaint/appeal itself, the resolution process and any consequent actions are fully documented and copies are made available to the complainant/appellant.
- Complaints arise when a client is dissatisfied with an aspect of the RTO's services, and requires action to be taken to resolve the matter.
 - Appeals arise when a client is not satisfied with a decision that the RTO has made. Appeals can relate to assessment decisions, but they can also relate to other decisions.
- b) All formal complaints and appeals will be heard and decided on within 15 working days of receiving the written complaint or appeal. The Compliance Manager will document all formal complaints and their resolution in the Continuous Improvement Database. Any substantiated complaints will be reviewed as part of the continuous improvement procedure.
- c) **Informal Complaint (or Feedback):** The initial stage of any complaint (or feedback) shall be for the client to communicate directly with the operational representative of the RTO, e.g. the teacher or administrative staff. Client(s) dissatisfied with the response to the informal feedback or complaint may initiate a formal complaint.
- d) **Formal Complaint or Appeal Process:** The informal complaint procedure should be used first. All formal complaints or appeals go to the RTO Quality Manager first. The formal complaint or appeal and its outcome shall be recorded in writing and submitted to the RTO via email or post.
- On receipt of a formal complaint or appeal, Management shall discuss the matter with the relevant Trainer/Assessor and the Compliance Manager.
 - The client shall be given an opportunity to present their case to the RTO, and may be accompanied by one other person as support or as representation. Or they may choose to submit their appeal in writing.
 - The relevant staff member shall be given an opportunity to present their case, in person or via written correspondence.
 - The complaint and appeals committee will make a decision regarding the complaint or appeal.
 - The complaint and appeals committee will communicate its decision to all parties in writing within five working days of making its decision.
- e) If the client is still not satisfied, the RTO will refer them to the ASQA appeals and complaints process.
- f) The root cause of any complaint or appeal will be included in the continuous improvement processes of the RTO.
- g) Refer to our Complaint and Appeal Policy and Procedure for comprehensive details on the complete process

9 Student Responsibilities / Code of Behaviour

- a) When attending a course as a CPR First Aid student it is your responsibility to:
- To conduct yourself in a safe and healthy manner
 - To behave in a manner which prevents injury and disease to you, your trainer and fellow students
 - To identify and report to your trainer any possible hazards from equipment, facilities and the environment
 - To comply with and assist in the institution's emergency procedures
 - To refrain from smoking anywhere in the training venue
 - To refrain from drinking and/or eating in the classroom
 - To attend on your designated booking date and punctually
 - To comply with the Assessment Information outlined in the Student Handbook
 - To discuss any complaints or grievances with your trainer or administration
 - To ensure no discriminatory, harassing or bullying behaviour occurs at all times to other students, staff, work placement supervisors or visitors to the institution
 - To report any discriminatory behaviour, harassment or bullying to your trainer or administration
 - To refrain from unacceptable behaviour including the use of bad language, alcohol and drugs
 - To refrain from the use of devices which may disrupt classes e.g. mobile phones and pagers
 - Students who choose not to comply with the Code of Behaviour will be given a verbal warning in the first instance and removal from the class in the second and final instance.

10 Student Support, Welfare and Guidance

- a) We will assist all students in their efforts to complete our training courses. In the event that a student is experiencing difficulty with their studies, we would recommend that the student contact our administrative staff to assist you prior to your class.
- b) The staff member will ensure that the full resources of the RTO are made available to ensure that the student achieves the required level of competency in all accredited courses.
- c) Should the student be experiencing a personal difficulty we will make every attempt to accommodate their needs within our limited capacity. If the students' needs exceed our capacity, we will refer them onto an appropriate external agency.

11 Flexible Delivery and Assessment Procedures

- a) CPR First Aid recognises that not all students learn in the same manner, and that with an amount of "reasonable adjustment" students who may not learn best with traditional learning and assessment methods will achieve good results.
- b) We will make any necessary adjustments to meet the needs of a variety of students. The ability to complete a written assessment is not to be interpreted as a barrier to competency provided the student can verbally demonstrate competency.

- c) These adjustments may include; verbal delivery of assessment materials to students or the use of a third person to assist where appropriate. This however may not be a possibility at public classes due to the structure of the class, timeframes and disruption to other Students. We can however offer private group sessions if applicable.
- d) We will endeavour to assist students to achieve the required competency standards where it is within our ability. If we cannot assist a student, where possible we will refer them to an agency that can assist.
